NATURAL SPIRIT

NATURAL SPIRIT // Le stress et l'agitation du quotidien renforcent l'envie de ralentir le rythme et de retrouver ses racines. Le thème de NATURAL SPIRIT se caractérise par le charme de la simplicité naturelle. L'emploi de matériaux naturels et donnant une impression de simplicité comme le bois, le lin, l'osier, le verre et le béton est incontournable. Le recours à des fabrications artisanales régionales est très important, de même que des termes comme la durabilité et le recyclage. Le langage des formes est réduit, il est souvent organique, les couleurs sont monochromes, harmonieuses et synonyme d'authenticité et de surfaces naturelles.

The stress and strain of everyday life give us an increased desire for slowing the pace and returning to our roots. The beauty of natural simplicity is a characteristic of the NATURAL SPIRIT theme. It essentially includes the use of natural and appealingly simple materials like wood, linen, wicker, glass and concrete. The relationship to regional handicraft plays an important role – in the same way as keywords like sustainability and recycling. The design is often minimalist, frequently organic; the colours are monochrome and harmonic, attuned to the original form of natural surfaces.

El estrés y las prisas de la vida cotidiana refuerzan el deseo de frenar el ritmo vital y de afianzar la conexión con la tierra. El encanto de la sencillez natural impregna el tema NATURAL SPIRIT. Es imprescindible el uso de materiales naturales y sencillamente atractivos como la madera, lino, mimbre, cristal y hormigón. La relación con la artesanía regional desempeña un papel importante, al igual que aspectos como la sostenibilidad y el reciclaje. El lenguaje de las formas, a menudo orgánicas, se reduce, los colores monocromos y armónicos están adaptados al origen de las superficies naturales.

GLOBAL CULTURE

GLOBAL CULTURE // Le thème de la GLOBAL CULTURE se caractérise par un mélange de styles non conventionnels, des cultures différentes, des époques et des régions associées entre elles de manière habile. Des influences issues du mouvement hippie sont associées avec art à des décors et des couleurs ethniques. La rencontre de pays si dissemblables comme l'Inde et l'Afrique accompagnés de leurs composantes typiques est simple et gaie: des motifs fleuris grands formats vont à la rencontre de batik, de patchwork et d'ikat, des rayures très colorées viennent se placer sur des ornements ou des broderies. Un univers de formes et de couleurs luxuriant souligné par des accents couleur néon.

GLOBAL CULTURE is characterised by an unconventional mixture of styles that uniquely combines different cultures, epochs and regions. The influences of the hippie movement are masterfully mixed with ethnic patterns and colours. Encounters between very different countries like India and Africa are uncomplicated and cheerful in their individual elements: large format floral patterns meet batik, patchwork and ikat materials; strong and colourful stripes meet ornamentation or embroidery. A rich world of shapes and colours that is accentuated by neon-coloured features.

El tema GLOBAL CULTURE se caracteriza por una mezcla de estilos poco convencional que agrupa con habilidad diferentes culturas, épocas y regiones. Con mucho éxito se mezclan influencias del movimiento hippy con estampados y colores étnicos. Sencillo y alegre es el encuentro de regiones tan diversas como la India y África, con sus elementos típicos respectivos: estampados de flores de gran formato se encuentran en telas tipo batik, patchwork e ikat, franjas de colores intensos en ornamentos o bordados. Un exuberante mundo de formas y de colores que se acentúa con toques de colores de neón.

SUMMER MOSAIC

SUMMER MOSAIC // Une atmosphère méditerranéenne estivale et pleine de gaieté est la caractéristique principale du thème SUMMER MOSAIC. Des tons pastel nostalgiques, des motifs combinés de manière ludique et des éléments de style romantiques caractérisent cet aspect et sont les éléments marquants d'un look moderne aux accents rétro. Une légèreté par petites touches, un aspect kitsch indispensable. Le mélange de mosaïques et de motifs kimono associés à des dessins fleuris d'inspiration indienne produisent un effet de gaieté et de nonchalance. Les tons couleur sorbet et le mélange de motifs élégants plongent dans une ambiance estivale.

SUMMER MOSAIC is permeated by a cheerful, summery, Mediterranean atmosphere. Nostalgic pastel shades, playfully combined patterns and romantic style elements define the look and are the determining elements for a modern interpretation of the retro look. Ease with a touch of kitsch is trumps. The mixture of mosaic and Kimono patterns with Asian inspired floral designs exudes brightness and ease. The sorbet colours and the stylistic mixture of patterns instil a happy summer mood.

Un alegre ambiente veraniego mediterráneo impregna el tema SUMMER MOSAIC. Nostálgicos tonos pastel, estampados combinados entre sí haciendo juegos y elementos de estilo romántico determinan el aspecto exterior y son elementos que dan carácter a un aspecto retro muy de moda. La ligereza con un pequeño toque kitsch es lo que triunfa. La mezcla de estampados de mosaicos y de kimonos con diseños de flores inspirados en la India tiene un efecto alegre y fácil. Los tonos sorbete y la estilosa mezcla de estampados proporcionan un agradable ambiente veraniego.

MODERN STYLE

MODERN STYLE // Moderne, urbain, coloré et clair, voici les principaux attributs du thème MODERN STYLE. Le design se caractérise par des surfaces colorées dynamiques et pleines de contrastes associées à une clarté toute nordique. Mais un certain chic rétro des années 50 allié aux meubles classiques de l'époque moderne est manifeste. Malgré cet aspect rectiligne, les motifs jouent un rôle important. Des graphiques et des dessins à rayure ainsi que des dessins à la main, des typographies et des motifs naïfs complètent ce style.

Modern, urban, colourful and clear – this probably summarises best the most important attributes of the MODERN STYLE theme. Dynamically contrasting coloured surfaces are combined with Nordic clarity. But a certain 1950s retro chic and the formal style of furniture design classics are also unmistakable influences. Despite all the straight lines, patterns play an important role: graphic and striped patterns, hand-drawings, typographies and naive motifs.

Moderno, urbano, colorido y claro: así se resumen los principales atributos del tema MODERN STYLE. Superficies de color juntas con un contraste dinámico, la claridad nórdica caracteriza el diseño. Pero también un cierto aire retro de los años 50, así como una tendencia formal a los muebles clásicos de la época moderna son inconfundibles. A pesar de la linealidad, los estampados desempeñan un papel importante: estampados gráficos y de franjas, así como dibujos a mano, tipografías y motivos naïf.

LOUNGE FEELING

LOUNGE FEELING // Le tout donne l'impression d'être balayé par une brise maritime fraîche et estivale. Elle apporte fraîcheur, légèreté et transparence pour une sensation LOUNGE FEELING pleine de décontraction à l'intérieur comme à l'extérieur. Voir et être vu, respirer et se détendre dans une ambiance joyeuse. Les styles sont marqués par de douces couleurs à l'eau et des motifs batik du bleu azur au bleu ciel et du violet vif au rose pâle. Des verres aux doux tons pastel font également partie du couvert de table ainsi que des céramiques de forme organique imprimées avec des fragments de décorations. Des accessoires argentés confèrent des accents brillants.

Everything feels like the breath of a fresh summer breeze at the sea. It imparts coolness, ease and transparency and promotes that relaxed LOUNGE FEELING in indoor and outdoor areas. The defining styles include soft runs of colour in watercolours and batik patterns – ranging from azure to sky blue and from deep purple to soft pink. Glasses in delicate pastels have their place on a dining table just as much as organically shaped ceramics with printed pattern fragments. Silver accessories add a sparkling emphasis.

Todo parece estar inmerso en una fresca brisa marina veraniega. Trae frescura, ligereza y transparencia proporcionando un relajado LOUNGE FEELING tanto en interiores como en exteriores. Ver y ser vistos, respirar y relajarse en un ambiente distinguido. Entre los medios que más marcan el estilo se pueden mencionar suaves transiciones de colores en estampados de acuarelas y batik: desde azul oscuro hasta azul cielo y desde un intenso lila a rosa pálido. Los cristales en suaves tonos pastel se encuentran en la mesa puesta, al igual que la cerámica con formas orgánicas que está impresa con fragmentos de estampados. Los accesorios plateados aportan un toque llamativo.

AQUA PEARLS ET CAILLOUX NATURELS AQUA PEARLS AND NATURAL STONES AQUA PEARLS Y PIEDRAS NATURALES

AQUA PEARLS // Les Aqua Pearls sont des perles d'eau décoratives absorbantes puis restituant l'eau et composées de gélatine, de protéines, d'eau et de couleurs solubles à l'eau. Elles sont un substitut idéal à l'eau des vases autant pour les fleurs naturelles que celles en soie et servent de décoration.

Les Aqua Pearls sont réutilisables.

Il suffit de plonger les perles qui ont rétrécies dans de l'eau!

Aqua Pearls are small decorative balls made of starch, proteins, water and colours soluble in water. They act as a water reservoir and water dispenser and can substitute the water which is normally required for silk or fresh flowers.

Aqua Pearls are reusable.

Shrinking Aqua-Pearls can be soaked in water for using again.

Aqua Pearls son pequeñas bolitas decorativas de fécula, proteínas, agua y colores solubles al agua, que retienen el agua y la van liberando paulatinamente. Las perlas de agua son el sustituto ideal del agua en cualquier jarrón de flores frescas, de seda o simplemente como decoración.

Las Aqua Pearls pueden ser reutilizadas.

¡ introduzca simplemente las perlas encogidas en el agua y volveran a su estado inicial!
